Nomination Committee was not formed in September because the 2022 board decided to serve for one more year. It was brought to the President's attention that a committee should have been formed regardless. In lieu of committee Sandy Wagner took nominations from the floor. No one was nominated. By unanimous vote, the existing board was voted in for one more year.

By-laws are out of date and a committee will be formed in January to update.

Ulla Doty and Martha Barber volunteered to be the audit committee.
