Presidents’ Message

Hi Quilters:

I hope everyone had a happy holiday. And now the New Year, best wishes for the best one ever. We are finally getting much needed precipitation so we are off to a good start.

Since we missed the December meeting we have several things to take care of at the January meeting, installation of officers, approving the 2022-23 budget, paying dues, and best of alldrawing the winner for our beautiful Opportunity Quilt. We were hoping to have our pot luck luncheon but with the spread of the new variant we will make a final decision at the cross-over Board meeting on January 3rd and let everyone know. Our guest speaker, Rami Kim has been re-scheduled to February, so we will do (hopefully a large) Show and Tell in January. I’m looking forward to our new year with the new Board.

See you at the meeting, Melissa O

Happy New Year fellow quilters! Hopefully 2022 will be a better year for us all!

As your president elect I look forward to serving and working with our board to bring you some new and exciting meetings, classes and lectures. We look forward to hearing your input and ideas. The guild works because of all of you, who participate in whatever capacity you can when you can! Thank you!

FROM LOUISE

Everyone,

It has been a pleasure being your VP for the last 2 years - even though not much got accomplished during Covid but scheduling and rescheduling and rescheduling speakers and classes. I look forward to next year with 3 of our speakers and workshops which were to take place in 2020-2021 and to see what Penni Parsons and Ulla Doty come up with for the rest of our year.

PLEASE turn in your squares for Melissa’s quilt. I will be presenting them to her.

Don’t forget your Round Robin quilts also.

New Greeter Needed!!

The Greeter maintains the table by the front door where everyone signs in. After the meeting starts they give a count of how many people signed in to the President. The Greeter also puts out any fliers or notices for quilt shows or other events coming up. We also have a little box to collect fines when people forget their name tags!!! If you're interested, please let any board member know.

Thank you!

Hello!

We want to share with you and your members our line up of speakers and workshops for 2022. We would love to have you and your members join us as members or guests for any or all of our meetings! We again find ourselves in the unique position of holding all our lectures and workshops via Zoom for our 2022 year and that may be one of the only upsides of the pandemic - we've all been able to broaden our circles and connect with other guilds across the country!

Attached is our postcard for the coming year. Details on our meetings and workshops can be found at <https://scvqa.org>

Thanks so much and hope to see you at one of our upcoming meetings!

Community Outreach

Janis and Kathy Beach

Friends, the Community Outreach committee is doing well and I certainly appreciate all the concern during the last few months. They do not know what, if anything, is wrong with me. As all the tests have come back with no answers. Let me tell you my Doctors are not happy about it either.

Enough about all of that. We have many items we will be delivering to our charities. It's been very hard for Kathy to get it all done with me out of commission and Covid closing down everything. Next Year!! Next Year!!

I just hope that you all had a great Christmas and New Year and were able to get together with your loved ones safely. See you at our next meeting.

From Susan Farrington: I have a neighbor who's **selling two quilt frames for hand quilting**. One Child and One King. She'd like a \$100 for each. Sue has advised now asking \$50 each but will consider offers. Contact Sue Perata

For Sale: PFAFF CREATIVE SEWING MACHINE Model 7550 I purchased this machine NEW when we were closing our shop in Oakland. The thing I love the most about this is the built in walking foot. I only used it for a couple years. So it doesn't have a lot of miles on it. I have 2 large binders of CREATIVE IDEAS that I purchased to go with it. It has a lovely stitch and it's easy to use. It has many attachments and is a work horse. I also have the Instruction Manual. Asking \$850. Jan Morin

Wow!! What a storm! A lot of members had damage to their homes and neighborhoods. Power outages and unplowed roads! With low propane tanks to boot! However, some great photos came in of how beautiful snow can be.
