11"	16 7/8	8 3/4	22 1/2"	33 1/8	16 7/8
11 1/2"	17 5/8	9	23"	33 7/8	17 1/4
12"	18 1/4	9 3/8	23 1/2"	34 1/2	17 1/2
12 1/2"	19	9 3/4	24"	35 1/4	17 7/8
13"	19 3/4	10 1/8			

\* (Finished block size x 1.414) + 1/4" = cut size for side triangles

\*\* (Finished block size ÷ 1.414) + 7/8" = cut size for corner triangles

Rounded up to nearest 1/8"

- ☒ Cut the square in half diagonally.
- ☒ Cut the square in half diagonally, twice.

DIAGONAL CUT
